

Kennydale PTA Volunteer Survey

“Making a Difference One Member at a Time”

As a member of the Kennydale PTA, there are many opportunities for you to participate in events and activities that benefit the Kennydale school community. Even if you are only able to participate once during the entire school year, it will be a huge help to those planning and organizing fun activities and events. Whether you can donate a lot of time, or just a little, please take a moment to let us know how you can be involved:

Please check your preferences for notification:

- E-mail Notification:** You will receive e-mail notices providing you with information about current volunteer opportunities.
- Phone Notification:** You will receive phone calls from a PTA event chairperson if/when a specific volunteer need for an event seems to fit with your interests or resources (as indicated below).
- Newsletter Only:** General volunteer opportunities will be listed in the Kennydale PTA Newsletter.

Please check any/all activities that you would be willing to assist with:
