

Young Scientist Week 3/1-3/5

SCIENCE FAIR AND CARNIVAL—Thursday, March 4, 6:30 TO 8:00 PM

Get ready for a super week of science enrichment! On March 1 & 2 our school will host the Pacific Science Center *Science on Wheels Space Odyssey* program. Students will explore the universe through in-classroom presentations and an all-school assembly.

The **Science Fair and Carnival** will be held the night of March 4. At the carnival, families will experience an evening of science enrichment and discovery through fun hands-on activities (held in the gym/cafeteria). For the Science Fair, grades 1–5 will be doing a science project. They are required to be present for a short period of time in his/her classroom to explain, show off and tell others what they've learned!

SCIENCE FAIR AND CARNIVAL SCHEDULE:

Grade	Students are in their Classroom sharing their Science Fair Project	Time at the Science Carnival in Gym/Cafeteria & Library
Kindergarten	Does Not Apply	6:30 to 8:00 pm
3, 4, 5	6:30 to 7:00 pm	7:00 to 8:00 pm
